RECORD OF TOWN MEETING

March 13, 1984

To the inhabitants of the Town of Madbury, County of Strafford, and the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Madbury on Tuesday, the thirteenth of March, A.D. 1984, at 1:00 o'clock in the afternoon for the purpose of voting on Article 1, and at 7:30 o'clock in the evening for action on Articles 2 through 17. The polls will close at 9:00 P.M. unless extended by vote of the meeting.

The annual meeting of the Town of Madbury was called to order promptly at 1:00 o'clock in the afternoon by Moderator Robert E. Houston Jr. The warrant was read and certified to posting. The polls were declared open. The following ballot clerks were sworn in by the Moderator:

Georgia Drew
Mary Ellen Duffy
Diane Hodgson

Rita Printy
Muriel Rogers
Carleton Wentworth

ARTICLE 1. To choose the following Town Officers. Sample ballot with totals—see Supplement #1.

Moderator for the ensuing two years, Robert E. Houston Jr.

Selectman for the ensuing three years, Craig F. Evans

Treasurer for the ensuing year, John W. Printy

Two Auditors for the ensuing year, Barbara G. Houston and Kathleen Traut

Trustee of Trust Funds for the ensuing three years, Alfred Grimes

Supervisor of the Checklist for the ensuing six years, Patricia A. Hodsdon

ARTICLE 2. Voted to authorize the Selectmen to choose and appoint all other Town Officers. CARRIED

ARTICLE 3. Voted to raise and appropriate the sum of One Hundred and Ninety Thousand Dollars (\$190,000.00) to build an addition onto the Town Hall. The appropriation to be funded and implemented in the following manner:

(a) To raise Eighty-Five Thousand Dollars (\$85,000.00) of said sum by borrowing the same from a bank or other lender, for a period of five (5) years with the first payment of principal and interest on said loan to be made one (1) year after the date thereof. The annual payment of principal and interest payable in any year shall not be less than the amount of principal and interest payable in any subsequent year by more than two percent (2%) of the principal of the entire loan.

(b) Expected use for life of the public improvement for which said loan funds are to be used exceeds five (5) years, as determined by the Selectmen. The said borrowing shall be represented by a note which shall be signed by Selectmen, or have a majority thereof, countersigned by the Treasurer, and shall have the corporate seal of the Town affixed thereto. The discretion of fixing the date, maturities, denominations, interest rate, or discount rate, the place of payment, the form and other details of said note, and providing for the sale thereof, within the terms above, are delegated to the Selectmen.

(c) To authorize the Selectmen to withdraw from the capital reserve fund set up for the purpose of Town Hall Expansion the principal of said sum plus any accumulated interest thereon, said amount is approximately Twenty-Two Thousand Dollars (\$22,000.00).

(d) To raise the difference between the sum of One Hundred and Ninety Thousand Dollars (\$190,000.00) and the total of Items (a) and (c) above from the taxes levied by the Town.

(e) To authorize the Selectmen to enter into the necessary contracts and agreements necessary to implement the construction of the Town Hall Addition.

Selectmen Richard R. Houghton gave the historical background to this Article. After many questions and general discussion on this proposed project (mostly in favor of the addition) the Moderator called for a ballot vote since many lending institutions desire or require such a vote.

106 ballots were cast – 84 YES 19 NO 3 Blanks CARRIED

ARTICLE 4. Vote to authorize the Selectmen to borrow monies in anticipation of taxes. CARRIED

ARTICLE 5. Voted to raise and appropriate the sum of \$250.00 for the Madbury Conservation Fund. CARRIED

ARTICLE 6. Voted to uthorize the retention of the unexpended portion of the 1984 Conservation Commission appropriation, said monies to be placed in the Madbury Conservation Fund. CARRIED

ARTICLE 7. Voted to raise and appropriate the sum of \$2,500.00 for the Fire Apparatus Capital Reserve Fund. CARRIED

ARTICLE 8. Voted to raise and appropriate the sum of \$1,700.00 for the purchase of new fire equipment.
This sum of money is not included in the posted Town Budget. CARRIED

ARTICLE 9. Voted to table this Article which was to raise and appropriate the sum of \$50,000.00 for the Town Hall Expansion Capital Reserve Fund since Article #3 passed and thus made this Article inappropriate. CARRIED

ARTICLE 10 Voted to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund for use as setoffs against budgeted appropriations for the following purposes and in the amounts indicated herewith or take any other action hereon:

Appropriation	Amount	
1. Fire Department	\$2,000.00	
2. Police Department	1,500.00	
3. Waste Disposal	1,500.00	CARRIED

ARTICLE 11. Voted to approve and accept the amended budget of \$307,032.00 for the current year. CARRIED

ARTICLE 12. Voted to adopt the provisions of RSA 763:6-I which provides for the appointment of Alternates to the Planning Board. CARRIED

ARTICLE 13. Voted to adopt the provisions of RSA 763:6-I which provides for the appointment of Alternates to the Board of Adjustment. CARRIED

ARTICLE 14. Voted to authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate monies; provided, (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town monies, all as provided by RSA 31:95-B. CARRIED

ARTICLE 15. Thanks and applause was given the Town Hall Building Committee for all their time and efforts during the past year. Members of the committee were Diane Hodgson, Jim Irish, Richard Colprit and Craig Evans. A job well done!
The Madbury Conservation Commission is offering a \$50.00 scholarship to the N.H. Youth Conservation Camp to be held June 17 - 22, 1984. Anyone interested may apply to Craig Seaver, Chairman of the Madbury Conservation Commission.

ARTICLE 16. Voted in favor of the petitioned article: "To see if the Town of Madbury shall call upon the Governor and Executive Council, its State Representative(s) and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Madbury, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire."

This Article raised a rather heated debate over some very important issues. A ballot vote was petitioned by 10 legal voters in the Town.

91 ballots were cast - 50 YES 41 NO

CARRIED

ARTICLE 17. Selectman Sylvia Grimes recognized Richard R. Houghton's six years as Selectman of Madbury. She and Selectman Jay Moriarity enumerated some of the many accomplishments of Dick's while serving the Town. Thanks, Dick!

Selectman Moriarity commended Lorraine Morong for her many years of service to the Town on the Zoning Board of Adjustment, and James Colprit for his long time service as Forest Fire Warden in Madbury. Both retired this past year.

Madbury Historical Society President Diane Hodgson called everyone's attention to the new collection of old Madbury photos reproduced from the originals thanks to Jim Irish. The Society is also now selling postcards made from some of these old photos to build up their treasury.

Since no other business was brought up at this time, the meeting was adjourned at 10:12 PM to count ballots. Ballots were counted and the meeting was officially adjourned at 11:32 PM.

Pamela A. Seaver
Town Clerk

Then came before me Craig F. Evans, John Printy, Robert E. Houston Jr., Alfred Grimes, Barbara Houston, Kathleen Traut and Patricia Hodsdon and took their oaths of office as required by law.

HIGHWAY REPORT

1984 marked the end of an era as Joseph Cole retired as road agent. Joseph Cole had served many years as road agent and under his watchful and frugal eye maintained Madbury's roads in an economical and effective manner.

We take this opportunity to publicly thank Joseph Cole for an excellent job done and commend him for his lasting dedication and conscientious duty to the Town of Madbury and its residents.

SELECTMEN'S ANNUAL REPORT

The focus of the selectmen's activities for 1984 was the Town Hall addition construction project. The project was completed within the original contract estimate despite a personnel turnover within the general contractor. The Board of Selectmen would like to thank the volunteer "Town Hall Committee" which provided invaluable assistance in planning the general project and in the completion of the kitchen.

The second major project which was begun was the Hayes Road reconstruction which was substantially completed in 1984 and is awaiting a spring application of oil to the road. General road maintenance including brush cutting, oil application and drainage ditching was the major emphasis for the fall of 1984 on town road and will be the focus of town road expectations for 1985.

The Selectmen foresee a period of transition in moving the Selectmen's records into the new office at the Town Hall and would appreciate donations of office furniture by any resident.

The Selectmen would like to hear from any resident who may be interested in being considered for appointment to various town positions.

MADBURY POLICE REPORT

Madbury police department would like to thank the residents for their cooperation in 1984. Calling the 868-1212 emergency number saves time and the phones are serviced 24 hours a day

In the past year the dispatch center handled 285 calls and 147 calls were received at our residence for a total of 432 calls

Emergency stickers are available at our residence, please call and you can pick them up.

If there is someone in the town that would like to help with animal calls please contact Chief Taylor at his residence

Respectfully,
George E. Taylor

MADBURY VOLUNTEER FIRE DEPARTMENT ANNUAL REPORT

The Madbury Fire Department has answered 67 calls this year for fires and accidents, none too serious. I hope that the news letter, stove and chimney inspections have helped to decrease the number of serious fires.

We have added three new members to the rolls, Laura Chase, Eric Hagman and James McMahon. Laura Chase is also an EMT. We are happy to receive these members and would like to see more people join.

Department members have been busy painting the station. We have also refurbished and installed the old furnace from the town hall. Thanks to Fitch Construction, we now have an underground fuel tank installed. This system seems to be working well. A chimney was also built.

Once again through the efforts of Bill Greig, we have received a \$1000.00 grant from the Exxon Co. This was used to buy a 1500 gallon portable folding water tank and a 2½ gated "Y."

With our budget and other donations we have purchased a radio for E-1, 2 pagers and forestry hose. I would like to thank the Pudding Hill Thrift Shop, Madbury Community Club, Fitch Construction, Hanscom's Truck Stop, Houghtons' Hardware and all individuals that have donated throughout the year. You can be assured your donations were appreciated.

Next year we would like to see a well and septic system installed in the Fire Stations. We feel that it is needed at this time. Also the hydrant system needs to be updated.

REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

MADBURY CONSERVATION COMMISSION ANNUAL REPORT - 1984

The Madbury Conservation Commission capped 1984 by welcoming the appointment of Tillman Marshall to the Commission. During the year commissioners continued the town property inventory, visiting some of the plots again under a variety of conditions. Most of the properties have now been described in detail, mapped, and studied for boundary problems, conservation potential, and management considerations. Redesigned notepaper, featuring an expanded town hall, should be available as this report is distributed, proceeds to go to the Conservation Fund. The Commission continued support for the Citizen's Task Force on Acid Rain, and contributed to the Forestry Communications Council's "Forest Field Day" for elementary students back in October.

Four commissioners attended the Natural Resources and Planning Lecture Series offered in April by the Rockingham and Strafford Regional Planning Commissions, the County Conservation Districts, and the Cooperative Extension Service.

Two members went to the Annual Meeting of the N.H. Association of Conservation Commissions in November.

The Commission invites comments and suggestions by townspeople.

MADBURY PLANNING BOARD

The Madbury Planning Board met monthly in 1984. There were several subdivisions approved.

The Residential Cluster Development Overlay District took up most of the Board's time during 1984. Mr. Hicks of the Strafford Regional Planning Commission met with the Board on an almost monthly basis and his assistance is greatly appreciated.

Craig Evans resigned the Chairmanship of the Planning Board in order to take up the duties of Selectman and his service to the Board during his tenure will be missed. The Board expresses congratulations to Mr. Evans on his new position in the Town of Madbury.

Dennis Salter
Chairman

LAMPREY REGIONAL SOLID WASTE COOPERATIVE

The Directors of the Lamprey Regional Solid Waste Cooperative are pleased to report that the incinerator/energy recovery plant located at the University of New Hampshire campus is operating on a continuous twenty-four hour, seven day a week schedule.

The day-to-day operation is carried out under the supervision of the Cooperative's Administrator, under the general supervisory control of the three-member Operations Committee from the Joint Board of Directors. The plant personnel, in addition to the Administrator, includes two mechanics, a truck driver, two daily shifts of 12 hours each involving 8 persons, plus daily clean-up crew. This organization operates the incinerator system, maintains records, and coordinates with the University's Power Plant staff to monitor the boiler and steam production elements of the plant. The Cooperative's organization also handles the collection of refuse from the transfer stations of five communities, and handles the ash removal and its transfer to the landfill site.

During 1984 modifications were made to plant piping which has increased steam production and revenue. Preventive maintenance during the year included replacing the refractory in the three lower chambers and it is anticipated that the upper chambers will be done in 1985.

The latest word received from the University Concerning Cogeneration is that UNH will quite likely purchase and maintain the turbine and generator which will provide the Cooperative with a market for excess steam during the warmer months.

The operations committee welcomes Norman LeClerc of Somersworth as a member and wishes to say Thank you to Robert Lowe of Northwood for his years of assistance on the Committee.

The Directors of the Cooperative wish to express their deep appreciation for the assistance given their efforts by the University's staff as well as the officers and personnel of the cooperating towns. Every effort will be continued to keep the residents of the region informed of the progress in the collection, processing and disposal of the waste which is being handled at the plant.

Joint Board of Directors
Lamprey Regional Solid Waste
Cooperative

OYSTER RIVER HOME HEALTH ASSOCIATION

Services Provided by Oyster River Home Health Association to Madbury Residents

A. Home Care Program:

Following physician's orders, agency nurses; physical, occupational and speech therapists; and home health aides provide needed medical care to patients in their homes. In most cases payment is made by Medicare, Medicaid and private insurance. However, needed care is always provided, with Town and United Way funds covering its cost.

B. Maternal Child Health Program:

This program provides comprehensive health maintenance care for children from birth to first grade age in Well Child and Children's Dental clinics. Care is free to families who meet poverty guidelines as set by the federal government. A grant from the N.H. Bureau of Maternal and Child Health covers about 39% of the cost of the program. Town and Strafford County United Way funds are used to supplement this.

C. Other Free Services:

1. Blood Pressure Screenings.
2. Abuse follow-up.
3. Medical equipment loan.
4. Referrals to other agencies and social service programs, i.e., Food Stamps, Winterization programs, Meals on Wheels, Medical assistance.

REPORT OF THE NEWMARKET REGIONAL HEALTH CENTER

The Newmarket Regional Health Center completed its thirteenth year of service in 1984. The Newmarket Regional Health Center operates two medical offices, one in Newmarket and the other in Raymond, the Lamprey River Clinic. Both facilities provide general medical care, preventive health services, community outreach, social services, and short term counseling with referral to area mental health agencies.

In 1984, Karen Brainard, M.D., a family practitioner, joined the staff. The Health Center offers a Prenatal Program, under the direction of Maude Guerin, M.D., which includes prenatal, delivery and postpartum care. In addition, the Health Center offers nutritional counseling and prenatal classes.

Other members of the medical staff include Sarah Oxnard, M.D., Joseph Fuller, M.D., Michael Lewis, P.A.-C., Barbara Janeway, M.S.N., A.R.N.P., and Anne Fawcett, A.R.N.P. The medical team also includes registered nurses, medical assistants and community health workers. For more information, or to make a medical appointment, call 659-3106 in Newmarket, 895-3351 in Raymond, or toll-free in Newmarket at 1-800-582-7279.

The community health workers coordinate a school health program and preventive screening clinics to detect potential health hazards. They hold informative workshops and act as liaisons between the medical providers and patients.

The Newmarket Regional Health Center also operates a Self-Care Program for the Elderly in conjunction with the Occupational Therapy Department of the University of New Hampshire. The purpose of this program is to enable the elderly to stay in their home setting as well as to maintain a quality of life and independent status within their community. The focus of the program is to provide self-care skills before disability occurs and to anticipate problems with functional activities. Contact Anne Fawcett, A.R.N.P. at 1-800-582-7279 for more information.

The Newmarket Regional Health Center continues to operate the Senior Citizen Transportation Program. Three of the five busses are equipped with hydraulic lifts to provide services to the handicapped. The transportation service enables senior citizens to remain independent, self-sufficient and active by providing the needed services, including medical, food shopping and recreational trips. For further information, call 659-2424 or toll-free 1-800-582-7279.

The Newmarket Regional Health Center wishes to express its deepest appreciation for the support of the town of Madbury.

STRAFFORD REGIONAL PLANNING COMMISSION

The Strafford Regional Planning Commission (SRPC) provides professional planning services to member communities in both Strafford and Rockingham Counties. SRPC staff expertise is primarily focussed in four areas: transportation planning, environmental assessment, community/economic development and land use planning. Technical assistance is also provided in the areas of fiscal impact analysis, solid waste management, federal grant preparation assistance and local zoning and site review regulations.

SRPC assistance to Madbury this year involved reviewing possible cluster development options and drafting pertinent ordinances. Staff also discussed various zoning alternatives and provided information concerning capital improvement programs. Technical transportation assistance was also provided. In particular, staff members classified roads which might be eligible for federal funding, and identified problem areas within the community. Additionally, at the request of the Madbury Water Board, the Commission provided an overview of groundwater management techniques suitable for the town.

MADBURY HISTORICAL SOCIETY

Meetings are the second Tuesday of October, November, January and April. They are open to anyone interested in the history of the Town of Madbury and surrounding areas. Restoration and Preservation Projects are always underway and are our purpose at the present. Our big project for 1984 was the copying, restoring and displaying of historic photographs of the Town. We added over 150 pictures to our archives and produced several copies for display in the Town Hall. Postcards were also made and offered for sale.

Other special projects included: a membership drive which increased our membership to over eighty, cataloging the archives and setting up a card file, created a program flyer and mailed to most residents and interested persons, sorted and stored historical town papers in acid free containers, started recording the census for the town from 1820, and also started sorting and cataloging a collection of newspaper clippings pertaining to Madbury events and people.

Our regular meetings had interesting programs and included Harlen Calef on "The Country Store," Robert Whitehouse on "Trollies in Dover," Barbara Myers on "Historical and Period Attire," and Patsy Taylor on "Historical Deed Research."

In addition to our traditional "Moseys about Madbury" (this year up Beech Hill from the Town Pound to Durham and along Jenkins Road from Bunker Lane to Madbury Beach) we added "Excursions" outside Madbury. They were to the Urban Forestry Center and historic John Langdon Homestead in Portsmouth; The Lowell Historical National Park in Lowell, MA; and the Taylor Sawmill in Derry. Several members and guests attended these events.

Membership is open to all persons interested in the purpose of the society. It was established to encourage interest in the history of Madbury by all appropriate means including the collection, display and care of articles of historic interest.

MADBURY WATER BOARD ANNUAL REPORT

February 1985

The 1984 Water Board year was one of Re-organization and re-establishing priorities for the purpose of supplying water for domestic and fire purposes, including the protection of water resources.

PRESENT: The primary objective for 1985 is to educate the people of Madbury as to the potential dangers of our groundwaters becoming polluted. Groundwater being a primary source of supply.

The residents of Madbury will have the opportunity during the SPRING 1985 TOXIC CLEANUP DAY sponsored by the Dover/Durham League of Women Voters and the New Hampshire Division of Public Health Services, to take their hazardous household wastes, such as solvents, paints, pesticides and pharmaceuticals, to the Public Works Barn in Dover to be disposed of properly and safely.

The Madbury Water Board fully endorses this program and plans other actions along these lines. More on this matter will appear in public notices and at our public monthly meetings. It is hoped the Madbury's citizens will take this opportunity to "clean out the bad" to protect the good — water, soil and air.

FUTURE: The long range goal of the Madbury Water Board is for an extensive study of our groundwater supply potential, to make this information available to the public, to promote an understanding as to the necessity of identifying, documenting, and protecting the groundwater resources of Madbury and its surrounding contributing communities. Madbury's groundwater is being fed by neighboring communities, just as Madbury is feeding those same and other adjacent localities.

Once the citizens of Madbury are aware of the potential wealth of water that exists in Madbury and its susceptibility to pollution or its loss due to overuse, the Madbury Water Board is confident that the town's people will want to protect one of its natural treasures, as well as its quality and quantity.

OVERVIEW OF PAST EVENTS: Communications has been a vital point of concern. In an attempt to fully understand the situation at hand, contacts were made with several town boards and the boards of other communities. It is believed by the Madbury Water Board that open communications with all members of all boards, commissions, committees, citizens, and those from outside our Town's boundaries will lead to a better tomorrow. Planning for the future as well as adjusting to the present requires a multitude of information which cannot be had by one group of people.

Those boards which have not been contacted to date will be contacted in the near future. There is an open invitation to all the citizenry of Madbury to become informed and to help us learn so that the Madbury Board will better be able to serve the community at large.

The State of New Hampshire has denied our appropriations for 1984 because of their misinterpretation of our statutory responsibilities. A meeting is being set between those responsible for finding the reason(s) behind such misunderstanding, with the anticipated result that all will be set right.

The Madbury Water Board has read the Town's ordinances, Master Plan, and selected Town Reports extracting those parts which pertain to any and all water situations. It was a task that will help us coordinate efforts for safe-guarding what is to enter our aquifer (groundwater system). The Strafford Regional Planning Commissions' 1981 report states that the recharge to aquifers comes mainly from precipitation directly on the aquifer. With this information and with its documentation, it will be to the Town's advantage not to "hardtop" high permeable soils or to allow anything questionable that may be harmful into that soil which may find itself dissolved in the water on its way down to meet the underground supply.

The planned expansion of the 1977 well-water survey which would have given information on the private supply of the homeowners, businesses, and organizations within Madbury's town limits was postponed due to postal costs and no other means of distribution. The information would have added to the water history of the community.

The Madbury Water Board thanks its Chairman, Denise Greig, and its Treasurer, Kathleen Traut, for their time and effort spent on behalf of the Water Board. The well wishes of the Board are extended to them on their new endeavors. Also, a thank you to Ruth Colprit for allowing us the use of the Madbury Community Church for one of our public meetings.

Respectfully submitted,
Dianne Mrak,
Acting Chairman

HELP MADBURY KEEP ITS TAX RATE DOWN

Because the Town of Madbury has no zip code of its own, it loses bank tax income to the towns through which its residents receive their mail.

However, every resident who has a bank account in a New Hampshire bank, or opens one, can see to it that Madbury gets its rightful share of the taxes on interest collected from banks by the State of New Hampshire.

The procedure is simple: When you open an account, tell the bank clerk that although your address is Dover or Durham, you actually live in Madbury. The bank has to put a town code on each account and you need to make sure you get the Madbury code onto your account.

The town code on old accounts can, and *should* be changed. In case of doubt, have the bank teller check each of your accounts.

Help Madbury keep its tax rate down by assuring that it gets all the revenue which you are paying through bank interest.

Some bank clerks are not aware of this town code. You need to inform them. The more bank clerks we inform, the more revenue we should get!

You can take this article to your bank.
